

SHUBHAM ROY

FULL STACK DEVELOPER / UI TECHNICAL ARCHITECT

SUMMARY

As a **full-stack developer** with **over 7 years of experience**, I specialize in creating innovative software solutions and leading technical initiatives. My expertise encompasses **React JS for front-end development**, **Java Spring Boot for backend solutions**, and **data visualization with Power BI**. I have a proven track record in project migrations and a passion for continuous skill enhancement. I also hold a valid **US H1B visa for Houston, Texas**, until September 2026.
